SIZE	34-52

## DESCRIPTION

Functional women's outdoor trousers made of four-way stretch material in a sophisticated SLIM FIT. The trousers are water-repellent and breathable at the same time, reliably wick moisture to the surface, suitable even for harsh climatic conditions and extreme loads. A special inner layer guarantees high wearing comfort. The back is divided by a yoke, there are 2 zippered pockets on the front of the legs, side ventilation zippers with mesh, shaped elastic waistband for maximum comfort. Reflective 3D prints provide increased safety.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

**ČSN EN ISO 13688:2013** – Protective clothing - General requirements  
PPE of simple design against the minimum risks that may be quickly and safely recognised by the user.

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics properties of the product by Ardon Safety s.r.o. on 15 September 2024.

The CITYCONIC Collection meets health requirements and is **OEKO-TEX® Standard 100 certified, PG020 certificate 199787 OETI**.

<b>UNIT PACKAGING</b>	1 pc

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
