ARDON[®] BRILANTEX

FUNCTIONAL UNDERGARMENT

ARTICLE	H10044 (t-shirt, long sleeve) H10045 (underpants)
MATERIAL	60 % graphene polyester 32 % nylon 8 % elasthan
GRAMMAGE	210 g/m ²
SIZE	S-2XL

DESCRIPTION

The new generation of functional undergarment made of innovative material ADN[®]BRILANTEX is ideal as a first layer for various types of sports and leisure activities, provides excellent thermoregulation, has excellent thermal conductivity, is flexible, breathable, perfectly adapts to every movement, has a technical sophisticated fit for maximum comfort, made in a seamless look. Seamless technology minimizes the number of seams and eliminates skin irritation. The functional material ADN[®]BRILANTEX achieves excellent performance, the garment is extremely strong, durable and tear resistant, protects against UV rays, has antibacterial properties and thanks to the fine, closed fibre structure eliminates any skin irritation and provides athletes with maximum comfort. The original design of the special knitted functional zones and structures effectively promotes optimal skin ventilation, suitable for any sports load.

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics properties of the product by Ardon Safety s.r.o. on 25th September 2024.

TECHNICAL DATA SHEET

NUMBER OF PIECES IN CARTON	40 pcs
CARTON WEIGHT	11 kg
CARTON SIZE	0,045 m ³
UNIT PACKAGING	1 pc

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
