DESCRIPTION

This stretch sweatshirt with a stand-up collar made of the ARDON®TOPLYRON technical material, which is of extreme high quality, keeps a stable shape, and is wrinkle-free and pleasant to the touch at the same time. The material is not susceptible to static electricity due to its ability to repel dust particles. The sweatshirt has an anatomically shaped functional SLIM FIT cut, is equipped with a comfortable continuous zip fastening with a chin guard, 1 zipper chest pocket and 2 zipper side pockets. The chest pocket is located on the right side to allow for branded printing. For increased safety of movement, the sweatshirt has functional high-visibility elements.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements PPE of simple design against the minimum risks that may be quickly and safety recognised by the user.

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics properties of the product by Ardon Safety s.r.o. on 25 September 2023.

The CITYCONIC Collection meets health requirements and is **OEKO-TEX®Standard 100 certified, PG020 certificate 198789 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
