## DESCRIPTION

A functional stretch sweatshirt with a stand-up collar, it is made from ARDON®BREEFFIDRY, a light, elastic and breathable material that easily wicks sweat away to the surface. The inside is combed, pleasant to the touch, while the outer surface is soft with a special anti-piling surface treatment that prolongs durability. The sweatshirt has attractive dynamic lines on the zippered chest pocket, a practical cut with a zipper and a chin cover, the stand-up collar keeps your neck warm, two lower zippered pockets. It completely adjusts to all motion thanks to its ergonomically slim fit with pre-shaped sleeves. It is suitable for demanding work, sports, and outdoor activities.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

**ČSN EN ISO 13688:2013** – Protective clothing - General requirements PPE of simple design against the minimum risks that may be quickly and safety recognised by the user.

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics properties of the product by Ardon Safety s.r.o. on 25 September 2023.

The CITYCONIC Collection meets health requirements and is **OEKO-TEX®Standard 100 certified**, **PG020 certificate 198789 OETI**.

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With Intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct Sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
